COLSA Corporation Named MSFC 2008 Small Business Prime Contractor of the Year

COLSA Corporation has been named Marshall Space Flight Center's Small Business Prime Contract of the Year for 2008 in recognition of our exemplary support of the Huntsville Operation Support Center (HOSC). To qualify for this award, COLSA worked to impact NASA's mission by increasing the use of technology, reducing costs and creating innovative methodologies and processes. COLSA was recognized for our unrelenting customer focus, coupled with our creativity and versatility in bringing innovative solutions when challenges present themselves.
